

Scene (summarized version):

- During Hagrid's first Conservation of Magical Creatures lesson,
- Malfoy deliberately angered the Hippogriff (Buckbeak), only to be scratched by it.
- Harry, Ron and Hermione are discussing this after class.

Book 3-Chapter 5

D'you think he'll be all right?"

'Course he will. Madam Pomfrey can mend cuts in about a second

That was a really bad thing to happen in Hagrid's first class, though, wasn't it?
Trust Malfoy to mess things up for him. . .

What will Harry say next?

Model Prediction: I like Malfoy, he won't mess things up.

Expected Answer: Yeah it must be. Malfoy will even ask the school to fire Hagrid.
